**CLAY LABS**

**T A Pottery Demo** (15 minutes) \$25.00 / This is a demonstration only to certify experienced or self-taught potters to rent the Pottery Lab. Use of our pottery wheels will be quickly demonstrated, you will be instructed on our studio practices and our expectations for maintaining equipment and safety.

**T A Pottery Class** (3 hours): Cost: \$80.00 each or \$110.00 per couple.  
*Includes 1 1/2 hours instruction + 1 1/2 hours add'l wheel time / Includes 2 lb. clay with glaze & firing / Class Size Limit: 10 / Age: 7+.*  
This certifies you to rent the Pottery Lab with an intro class in use of the pottery wheel with instruction on how to create a basic vessel on the pottery wheel.

**T A Pottery Course** (4 part series): Cost: \$160.00 each or \$220.00 per couple.  
*3 hours wheel time per class / Includes 8 lb. clay with glaze & firing / Class Size Limit: 10 / Age: 7+.*  
This certifies you to rent the Pottery Lab with instruction on how to create a basic vessel on the pottery wheel, returning to add final touches and hone your skills then finish with a glazing lesson.

*We sell clay for \$7.50 per 5 lb. bag. Rent a kiln for \$35.00 or fire by-the piece at 25¢ an inch.*

**T A Intro to Sculpture, slab/free form/pinch/coil construction** (2 part series, 1 hour each): Cost: \$70.00.  
*Includes 2 lbs. clay, glaze, firing included / Class Size Limit: 10 / Age: 13+.*  
Ask for a class to certify you to use the slab roller to create slabbed forms or the extruder to squeeze out repeated shapes, or learn the techniques used in free form, pinch pot or coil pot construction.

**After certification, rent this Lab's equipment for \$5 per hour (or \$3 per hour with a \$90 Punch Card)**

**GEMSTONE LAB**

**T A Gemstone Lab Certification** (3 hours): Cost: \$80.00 each or \$110.00 per couple.  
*Gemstone to cab & go home with is included / Class Size Limit: 3 / Age: 14+*  
Learn how to use the cabbing machines to take a gemstone from rock slab to a finished, polished cabochon. Go home with your finished gemstone or use it in a Wire Wrapping class (see below).

**T A Slab Saw Certification** (15 minutes): Cost: \$25.00  
*Demonstration only / Class Size Limit: 3 / Age: 14+.*  
This certifies you to use the rock slab saw to cut through large stones (up to 5.5" H x 9" L). Immediately upon certification you can rent the slab saw to cut your own rocks.

\*\*\*\*\* *Take a Lapidary class, then learn how to wire wrap your stone!* \*\*\*\*\*

**T A Wire Wrapping** (3+ hours): Cost: \$80.00  
*Cabochon, wires and use of tools included / Class Size Limit: 4 / Age: 18+*  
Choose an oval shaped cabochon (domed and polished gemstone) to wrap in wire to make a pendant. From this lesson, you'll be ready to try other shapes or types of jewelry on your own with continued access to the tools, drill press and findings in our store.

**After certification, rent this Lab's equipment for \$5 per hour (or \$3 per hour with a \$90 Punch Card)**

## METAL ARTS LAB

**T A** **Lost Wax Casting Certification Course** (4 part, 2 hours each): Class: \$150.00 + cost of metal.  
*(Metal for an average size ring is about \$10 - \$25) / Wax & studio fee included / Class Size Limit: 6 / Age: 18+*  
This certifies you to rent the Lost Wax Casting Lab and a jeweler's bench. You will make a basic ring to understand how to carve in wax, mold it, cast it in metal using the centrifugal casting machine then polish it.

After certification, rent this Lab's equipment for  
**\$5 per hour (or \$3 per hour with a \$90 Punch Card)**

LAPIDARY

FACETING

## PAINTING

*A canvas or panel with use of our brushes and paints are included / Class Size Limit: 10 / Age: 13+*  
These follow-along classes teaches you how to paint in your chosen art medium. Unless otherwise stated, you'll paint a simple landscape scene with the goal of helping you replicate these techniques again, either in the studio or in plein air outside in the field. You will learn some of the basic principles of art and design as well as brush techniques.

**T A** **Acrylic Painting for Beginners** (2 hrs): Cost: \$50.00.
